

Monday, April 15, 2024

Dear Registrars,

For several of your counties, tomorrow is Election Day for the 2024 Runoff Election. ***I ask that all counties please refrain from transferring today.*** Some counties are transferring voters out of the counties participating in the runoff tomorrow and it is causing some confusion for these counties.

Election Reminders:

- Remember Board of Registrars offices should be open from 7 am to 7 pm on Election Day.
- Offices should remain open the entire time the polls are open.
- All registrars should work on Election Day and be available to assist Poll Workers
- Registrars should be available to answer voter's registration questions or questions about polling place assignments.

- ***Attached is the Admin. Rule about voters moving their residence but not updating their registration by the deadline.***
 - Registered voters that **moved within county**, but did not update their information before the deadline:
 - If address is still located at **same polling location**- voter may vote a regular ballot because their name is on the correct poll list. Voter should complete an update form.
 - If address places voter at a **new polling location**- voter must vote a **provisional ballot** at the new polling location. (*Check Street Files to confirm the polling location for the voter's new address.*)
 - Registered voter that **moved outside county**, but did not update information before the deadline- **will NOT be eligible to vote** in that election. A transfer across county lines is treated the same as a new registration.
 - Registered voter that **moved to your county**, but did not register before the deadline- **will NOT be eligible to vote** in that election. Once again a transfer across county lines is treated the same as a new registration.
 - If a voter (new or otherwise) did not register/update their information prior to the current election, they may submit an electronic or paper registration and it will be processed after the election.

I appreciate all of you! Thank you for all you do!

Candace Payne

Supervisor of Voter Registration
